“Seoul oder Berlin Hauptsache Metal” 2 Pages Interview – **Legacy** 95 02/2015

“Madmans Esprit is the work of one highly theatrical but, it has to be said, extremely talented individual (Kyuho) from South Korea, who, on the evidence of *Nacht*, is pretty good at everything” - [Zero Tolerance](#)

Full of life (and death), *Nacht* is a stunning debut that demands attention. - [AngryMetalGuy.com](#)

Off-the-wall, riveting, and well worth a listen – especially if you are feeling like you haven’t heard anything new for a while. You won’t be saying that after you’ve listened to Madmans Esprit – - [AveNoctum](#)
